INTERNSHIP COMPLETION CERTIFICATE

This is to certify that Sheikh Buraaq Ahammad, a student of Baba Ghulam Shah Badshah University (BGSBU), bearing Roll No : 11-CSE-2022, has successfully completed his internship in Firmware and iOS Development at Inbioz Technology.

The internship was conducted from 5th April 2025 to 12th July 2025, during which he demonstrated strong technical skills, dedication, and a proactive approach to learning and contributing to our ongoing projects. His responsibilities included working on embedded firmware development, application integration, and iOS-based solutions, and he consistently performed to our expectations.

We appreciate his efforts and wish him all the best in his future endeavours.
